

At the Pau Gasol Virtual Academy by Santander we pay a lot of attention to the rights of our participants and, as an online event, our top priority is the minors' safety.

That's why we have prepared this document for you to follow step by step the registration process for the Academy. it will take you very little time!

REGISTRATION FOR U13 CHILDREN

If you are under 13 years old (born after 01/01/2008), these are the steps to follow to register.

1. The parent/legal guardian must download the free OWQLO app and register with your data.
2. Then search for the organization PAU GASOL ACADEMY BY SANTANDER and click on "subscribe".

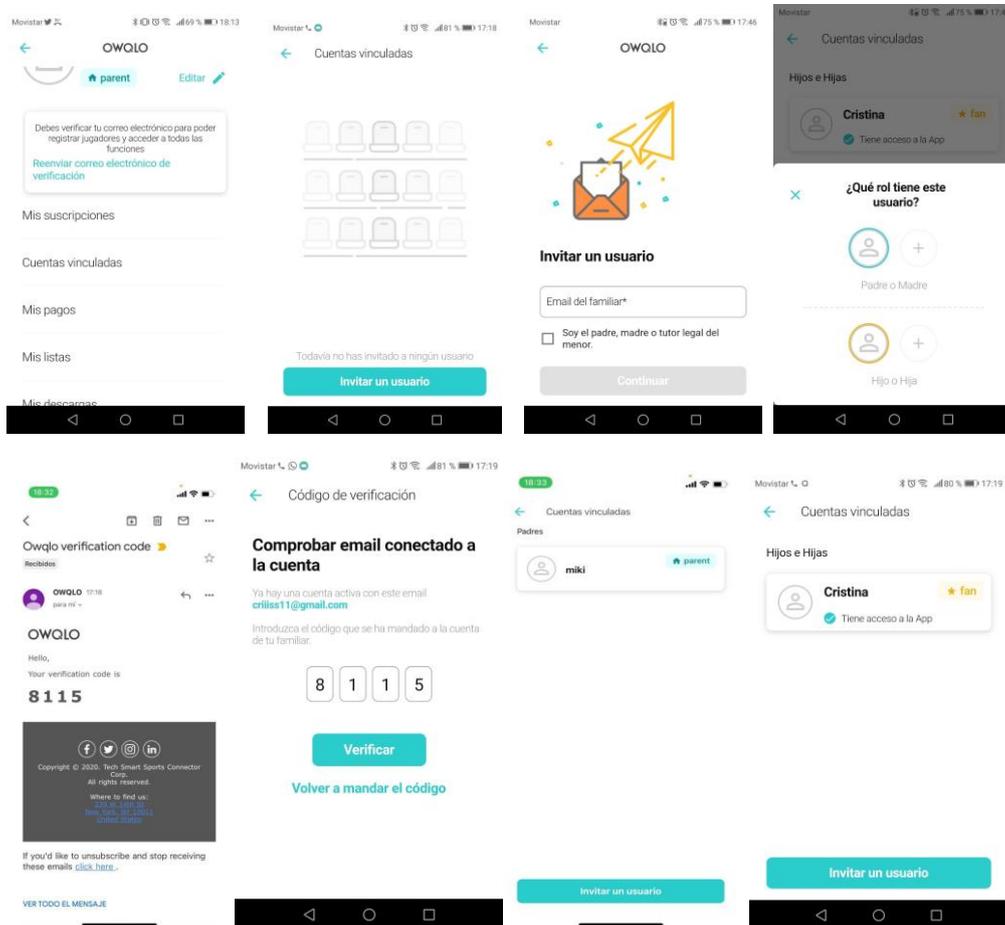

And if the parent/legal guardian already has the app downloaded? That's even better! They won't need to register again. He/she will have to check that he/she has subscribed to the PAU GASOL ACADEMY BY SANTANDER organization.

3. Then go to the icon in the top left corner of your cell phone, look for "Linked Accounts" and click on it.
4. There you will have to select your role in the family (parent/legal guardian).
5. Then select the option "son" or "daughter".
6. At this point you will enter the child's email address so that he/she can access OWQLO.

Finally, the child must:

- a. Check his/her email
- b. Accept the invitation
- c. Download OWQLO
- d. If he/she has already downloaded it, the invitation email will contain a code that the parent/legal guardian must enter in his/her OWQLO account.
- e. Register with their data.

Once these steps have been completed, the child will be able to register for one of the Pau Gasol Virtual Academy by Santander 2021 programs (Free, Advanced and Pro) and be part of #TeamGasol.

IMPORTANT: Once you have chosen the program (Free, Advanced or Pro), the parent/legal guardian must sign and make the payment in the child's OWQLO account.

If you have any question or problems during the registration process, please contact us at paugasolacademy@paugasol.com or call us at +34 621 284 243 and we will help you as soon as possible. Thank you!

REGISTRATION FOR OVER 13 YEARS OLD AND OVER 18 YEARS OLD

If you are born born before 31/12/2007 (over 13 years old), the registration can be done directly with the smartphone and the participant information.

If the user is above legal age, parental consent is not required.

If the participant is a minor (14-17), he/she must register with his/her father/mother/legal guardian to sign the consent form and check the box I am the "father/mother/legal guardian", but it will not be necessary for these adults to download the app on their phones as well.
